DJ, Lighting, Photo Booth and Multimedia Services

DJ Jack Labarko, Inc. *
(814) 536-2028

The Grand Halle on Broad Street offers brilliant - but challenging - acoustics. Labarko has the knowledge and equipment to effectively reinforce sound here. While clients are free to contract with the DJ of their choice, it is strongly advised that arrangements be made for the DJ to set up early and experiment with speaker placement and proper sound levels for the Halle.
